## OUR VALUES

Skycare Pharma is focused on increasing the momentum in the business through organic growth by launching newer and newer molecules and expanding the wings across the nation and globe.

### Creativity & Innovation

Breakthroughs start by challenging convention, especially in the face of uncertainty or adversity. This happens when we think big, speak up, and are decisive.

### Brand-First Approach

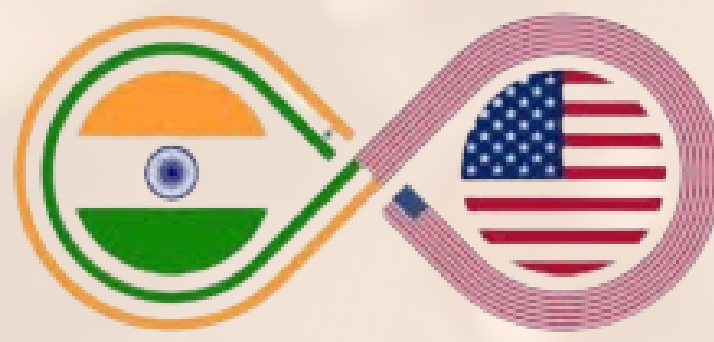

We can only change patients' lives when we perform at our best together. This happens when we focus on what matters, agree who does what, and measure our outcomes.

### Data-Driven

We believe that every person deserves to be seen, heard, and cared for. This happens when we are inclusive, act with integrity, and reduce healthcare disparities.

### Collaboration

We give ourselves to our work, but it also gives to us. We find joy when we take pride, recognize one another, and have fun.
